Good to know:

If this is for a drinks party where there is no other food then I recommend you choose 8 -10 items a head from above unless there is something else you had in mind.

If this is to have with drinks before a meal then I feel 4 items a head would be adequate.

The canapés will be delivered to you at a time to suit you on silver platters. If you would like a member of staff to circulate with the trays of canapés then I can provide waiting staff at an additional cost.

If you only require delivery of the canapés with no other food or service a minimum order of £50.00 is required or a £10.00 delivery charge will be applied.

All prices quoted are inclusive of VAT @ 20%
